To Brokers and Salesmen:

The act of being licensed to serve as a real estate broker or a real estate salesman is an endorsement to the effect that you are recommended to the Public as an honorable, capable, trustworthy citizen. In accepting employment as a broker or salesman you are pledging yourself to protect and promote the best interests of your clients, both sellers and buyers. This obligation of absolute fidelity is primary.

Please perform a REAL SERVICE to the Public, to yourself, and to the State of Montana by giving your wholehearted cooperation and support to this Board in detecting and exposing unlicensed operators and violators of the Real Estate License Law. They are a menace to your business, an enemy to the Public; they are in direct breach of the law that would protect you.

3 REPORTER PRtg. & SUPPLY CO.

FOREWORD

The Montana Board of Real Estate publishes this Directory pursuant to the Real Estate License Act of 1963, as amended, and as a source of information to those engaged in the real estate business and other interested persons.

A list of all licensed real estate brokers and salesmen as of January 1, 1974, is included in this publication. Brokers are listed in alphabetical order by counties in the State, with their salesmen listed directly below.

The Board is appreciative of the cooperation received from the public and the profession in administering the real estate law in the past. It is the desire of the Board to administer the law in a manner that maximum protection may be afforded to the public and the licensee. This objective can be maintained only through the continued and close cooperation of the public and the profession.

RCM, 1947, as Amended

Adopted December, 1972

Superceding those previously adopted.

Filed in the Office of the Secretary of State, Montana March 1, 1973.

It is the purpose of this Board, acting under the provisions of the Act creating it, to regulate the licensing of real estate brokers and salesmen, to safeguard the public interest in real estate transactions, and require the maintenance of high standards in ethical practices by all the real estate licenses doing business in the State of Montana.

CHAPTER I

Administration (Purpose)

1- 1 These rules and regulations are intended to clarify and implement Section 66-1924 - 66-1947, R.C.M., 1947, as amended, to the end that the provision thereunder may best be effectuated, and the public interest most effectively served.

1- 2 If any section, subsection, sentence, clause, or phrase of these Rules and Regulations be for any reason held to be invalid, such holding shall not affect the validity of the remaining portion of said Rules and Regulations. The Montana Board of Real Estate hereby declares that it would have passed and adopted these Rules and Regulations in each section, subsection, sentence, clause, or phrase thereof, separately and irrespective of the fact that any one or more of them be held invalid.

CHAPTER II

2- 1 For the purpose of determining the qualifications of a license applicant or an equivalency applicant, the Chairman of the Board may appoint a committee to review the application and make recommendations to the Board.

2- 2 In determination of the qualifications of broker applicant, the Board shall require and take into consideration the volume of business conducted during the period such broker applicant was licensed as a salesman, but shall not be limited thereto in its determination.

2- 3 All original applications for the Montana Real Estate Brokers examination shall be made to the Montana Board of Real Estate not later than the first day of the month preceding the date of examination.

2- 7 No part of any fee paid in accordance with the provisions of this chapter is refundable. It is deemed earned by the Real Estate Board upon its receipt.

2- 8 If an applicant for any examination fails to take the examination on the date scheduled, he must make application in writing to the Montana Board of Real Estate, for rescheduling within six (6) months of the date of original application. A rescheduling fee of \$10.00 must accompany the written request.

a branch office license and the broker's real estate sign; provided, however, that such branch office must be in the charge of a duly qualified and licensed resident broker in the branch office, and that any salesman employed in such branch office shall perform only the acts contemplated to be done by a salesman under a salesman's license; and, that the preparation of instruments in connection with a real estate sale and the act of closing such sales, are functions of a broker and must be performed by or under the supervision of a person or persons duly licensed as a broker.

9- 1 As a condition to the reinstatement of a revoked or suspended license, the Board may require the applicant to take and pass a qualifying examination, or course, as determined by the Board.

9- 2 A broker who signs the application of a salesman as being his employee and such is determined by the Board not to be the case, will render himself liable for suspension or revocation of license.

9- 3 A salesman who is unemployed at the time of renewal must renew his license on an in-active basis by filling a renewal application, paying the regular fee and complying with the bonding requirement of Section 66-1933, R.C.M., 1947, as amended. The license must be forwarded to the Montana Board of Real Estate Office and cancelled, and the renewal application must show "inactive at present" instead of the signature of the employing broker. To again become active, the salesman must file a change of address application and pay the current fee to transfer his license to a licensed broker. If such request is made within a three (3) year period and is accompanied by the current license fee for an original license, a new license will then be issued without re-examination.

CHAPTER X

Investigations — Fact Finding Committee

10- 1 For the purpose of investigating the actions of a licensee, the Board hereby creates a fact finding committee to be appointed by the Chairman of the Board, to assist in determining whether complaints may be warranted against the licensee.

10- 2 The function of this committee is to analyze licensee's actions even when no complaint has been filed and further to assist the public in determining the validity of a complaint. This committee shall make recommendations to the Board relative cause for a formal proceeding.

CHAPTER XI

Trust Accounts

11- 1 Each Broker shall maintain a separate Bank Account which shall be designated a trust account wherein all downpayments, earnest money deposits, or other trust funds received by the Broker or his salesman on behalf of his principle or any other person shall be deposited.

11- 2 Trust accounts shall be maintained in Banks located in Montana.

11- 3 Each Broker shall authorize the Board to examine such trust accounts by a duly authorized representative of the Board. Such examination shall be made at such time as the Board may direct.

Effective March 18, 1974, the following rules were added in accordance with the provisions of the Administrative Procedure Act.

11- 4 All monies, belonging to others and accepted by the broker while acting in his capacity as a broker, shall be deposited in a federally insured bank or other recognized depository in an account separate from money belonging to the broker. Clients' funds shall be retained in this bank account until the transaction involved is consummated or terminated, at which time the broker shall account for the full amounts received.

- (a) **Name of account.** The name of such separate account shall be identified by the work "Trust Account" or "Trustee".
- (b) **Commingling prohibited.** Each broker shall only deposit trust funds received on real estate transactions in his trust account and shall not commingle his personal funds or other funds in said trust account with the exception that a broker may deposit and keep a sum not to exceed \$500.00 in said account from his personal funds which sum shall be specifically identified and deposited to cover bank service charges relating to said trust account.
- (c) **Number of accounts.** A broker may maintain more than one trust account.
- (d) **Time of deposit.** Each broker shall deposit all real estate trust money received by him or his salesman in the broker's trust account within 48 hours of receipt of said money by said broker or said salesman unless otherwise provided in the purchase contract. In the event said trust money is received on a day prior to a holiday or other day said bank is closed, said money shall then be deposited on the next business day of said bank.

- (e) **Responsibility.** When a broker is registered in the office of the Board of Real Estate as in the employ of another broker, the responsibility for the maintenance of a trust account shall be the responsibility of the employing broker.

11- 5 Brokers are responsible at all times for deposits and earnest money accepted by them or their salesmen.

- (a) **Personal payments.** No payments of personal indebtedness of the broker shall be made from such trust account other than a withdrawal of earned commissions payable to such broker or withdrawals made on behalf of the beneficiaries of such trust account.
- (b) **Withdrawals.** Money held in the trust account which is due and payable to the broker should be withdrawn promptly.
- (c) **Earnest money.** A broker shall not be entitled to any part of the earnest money or other monies paid to him in connection with any real estate transaction as part or all of his commission or fee until the transaction has been consummated or terminated. The earnest money contract shall include a provision for division of monies taken in earnest, when the transaction is not consummated and such monies retained as forfeiture payment.

11- 6 A broker shall maintain in his office a complete record of all monies received or escrowed on real estate transaction, in the following manner:

- (a) **Bank deposit slips.** A bank deposit slip showing the date of deposit, amount, source of the money and where deposited.
- (b) **Bank statements.** Monthly bank statements are to be retained and kept on file.
- (c) **Trust account checks.** Trust account checks shall be numbered and all voided checks retained. The checks shall denote the brokers business name, address, and should be designated as "Trust Account".
- (d) **Check register (Checkbook).** A record book which shows the chronological sequence in which funds are received and dispursed: 1. For funds received, the journal must include the date, the name of the party who is giving the money, the name of the principal, and the amount. 2. For disbursements, the checkbook journal must include the date, the payee, and the amount. 3. A running balance must be shown after each entry (receipt or disbursement).
- (e) **Ledger.** This record will show the receipt and the disbursement as they affect a single, particular transaction as between buyer and seller, etc. The ledger must include the names of both parties to a transaction, the dates and the amounts received. When disbursing funds, the date, payee, and amount must be shown. A running balance must be shown after each entry (receipt and disbursement).

- (f) **Reconciliation.** The trust account must be reconciled monthly except in the case where there had been no activity during that month.
- (g) **Maintain records.** Every broker shall keep permanent records of all funds and property of others received by him for not less than five (5) years from date of receipt of any such funds or property.

CHAPTER XII

Manual

12- 1 The **Montana Real Estate Manual** shall be sold to the public at a fee to be determined by the Board and to include periodic costs of revision and publication.

12- 2 The **Manual** fee must be paid prior to the issuance of a **Montana Real Estate Manual**.

12- 3 Regulation 12-2 shall not apply to state libraries (delete schools, cities, municipalities — not required by Montana Codes).

12- 4 Any person wishing to purchase a **Montana Real Estate Manual** must furnish his permanent address to the Montana Real Estate Board.

CHAPTER XIII

Library

13- 1 All volumes contained in the Montana Real Estate Board library may be loaned to any member of the public.

13- 2 A deposit equal in amount to the purchase price of the volume borrowed shall be given to the Montana Real Estate Board. The deposit shall be refunded upon the return of volume borrowed.

13- 3 If a volume is not returned to the Montana Real Estate Board, the deposit required by Regulation 13-2 shall be forfeited.

13- 4 A volume may be borrowed for a period of two weeks. The loan period may be extended by the Montana Board of Real Estate or its Director.

CHAPTER XIV

Foreign Land Sales Practices Act

14- 1 That all advertising for the sale of registered subdivided lands in Montana, whether by newspaper, television, radio, mailing or other means, must fully and fairly disclose all pertinent information concerning said subdivided lands, including the location, used, limitations, utilities and facilities then existing, and the price therefor, in clear and simple terms. All advertising materials may be submitted to the Board for inspection before use or distribution.

14- 2 That all subdividers selling subdivided lands in Montana by contract for deed providing for delivery of deed to buyer upon fulfillment of the contract terms, shall place such deed together with all other instruments relating to such sale, in escrow with a bank, savings and loan association or title company situate in Montana. The deed must fully describe the interest in the land as contracted, and must contain covenants of general warranty without exception or reservation, unless such exception or reservation has been approved as part of the application for registration of said lands. The contract and deed must describe all improvements which are a part of the sale whether existing at the time of sale or to be completed prior to full payment by buyer.

14- 3 That the following forms, identified as FLSPA-1, FLSPA-2, FLSPA-3, FLSPA-4 and FLSPA-5, hereto attached and by reference made a part hereof, are hereby adopted by regulation of this Board, and it is hereby directed that the same must be completed, executed and submitted by all subdividers offering out-of-state subdivided lands for sale in Montana together with an application fee in the sum of Five Hundred Dollars (\$500.00).
